LA SALLE CHEM (Boiler Conv)

SASON SCHEPP ^{Illinois EPA & Allison} Constructor Permit (CAP Permit)

- EJ permitting more imp. now past 1-1/2 years
- John Kim final decision maker

STATE needs answers

- Diesel FIRM Boiler (conv. natl. gas status of natl. gas)
- Currently have 2 boilers, unaffected by fire don't have the steam
- Small boiler to run process line
- 2 weeks can go to natl. gas
- 20% of natural boilers

Is OSHA involved?

- Are they aware that the plant will be operational by Tues? Yes talked to them

Do fire damage ^{performance} product plant

- No but it hurt utility bridge
- gas & steam line

Office of Com. Relations

- EJ area
- ~~They~~ IL EPA believes they need to notify
- 2 weeks usually take
- Sason acknowledge that this is an emergency
